## Alumni Spotlight

**My Name is:** . . . Matt Burns

**At Pitt-Greensburg I studied.** . . Accounting

**I graduated in** . . . 2012

**The thing that drew me to Pitt-Greensburg was** . . . I liked the idea of the small campus with a big name.

**My favorite thing as a student/fondest memory** . . . I enjoyed all the chances there were to get involved on campus. My first two years of living in College Hall is where I was able to make lasting friendships. The best memory I have is the trip to Rocky Mount, NC with Habitat for Humanity during spring break.

**The Faculty/staff member who had the greatest influence on me were.** . . My Accounting professors Sharon Turchick and Pam Ondeck. They were always available for questions and made time for me if I needed extra help. They continuously challenged their students which has helped in my current job.

**After Pitt Greensburg, I.** . . worked as a temp at Scarano, Trump & Adelsperger in the spring of 2013. I then went on to work for a company in Wilkinsburg until I received an offer back at Scarano, Trump & Adelsperger for a full time position as a staff accountant.

**My reason for becoming active with the alumni association is** . . . It's a great way to stay connected with friends and the University. I also enjoy meeting new people part of the PGAA who graduated before me and hearing how Pitt-Greensburg benefited them in their current stage of life.

**My Family/Friends** . . . have been the driving force behind my success to this point. My girlfriend Kelli Fockler and best friend JP Hilzendeger have each helped me grow professionally and personally. There are many other friends I met during my time at Pitt-Greensburg that have made an impact on me, as well.

**Tell us something we didn't ask.** . I am a diehard fan of the NHL, especially the Philadelphia Flyers. I enjoy studying the game and its history. When I have free time, I try to pick up a book about a team's history or player's stories.

*Would you, or an alum you know, be interested in sharing your story? The PGAA wants to hear from you! Email [upgalum@pitt.edu](mailto:upgalum@pitt.edu) and tell us why you or someone you know would like to be interviewed, and you, he, or she could be our next Alumni Spotlight.*
