- Mental health institutions
- Health clinics
- Retail chains
- Pharmaceutical companies
- Health insurance firms
- Universities
- Government agencies: Food and Drug Administration, Public Health Service, Department of Veterans Affairs, Armed Services

### School of Pharmacy

The pharmacy program at the University of Pittsburgh is a six-year program leading to a Doctor of Pharmacy degree (Pharm.D.). After two years of pre-pharmacy courses at Pitt-Greensburg, pharmacy students continue for four additional years in the School of Pharmacy (Pittsburgh campus). Students who qualify based on SAT scores and high school grades are guaranteed admission to the School of Pharmacy as long as they maintain a QPA of 3.25 in required math and science courses and an overall QPA of 3.25. Those who are not guaranteed admission to the School of Pharmacy at the time they are admitted to Pitt-Greensburg may still follow the pre-pharmacy curriculum and then apply for admission on a competitive basis.

#### The following pre-pharmacy courses should be taken at Pitt-Greensburg:

<b>BIOSC 0170, 0070</b>	Foundations of Biology 1 and Lab
<b>BIOSC 0180, 0080</b>	Foundations of Biology 2 and Lab
<b>CHEM 0110, 0120</b>	General Chemistry 1 and 2 and Labs
<b>CHEM 0310, 0330</b>	Organic Chemistry 1 and Lab
<b>CHEM 0320, 0340</b>	Organic Chemistry 2 and Lab
<b>MATH 0220</b>	Analytic Geometry and Calculus 1
<b>ENGCMP</b>	Two courses
<b>STAT 1000 or 0200</b>	Introduction to Applied Statistical Methods or Basic Applied Statistics
<b>Humanities</b>	Three courses (at least 9 credits) from two different departments
<b>Social Sciences</b>	Three courses (at least 9 credits) from two different departments
<b>Electives</b>	6 additional credits in Humanities, Social Sciences, or Psychology
<b>COMMRC 0520</b>	Public Speaking (recommended)

In addition pre-pharmacy students must: (1) Maintain a 3.0 in all science courses; (2) Maintain a C or better in all other courses; (3) Have a PCAT score in the 70th percentile or higher; (4) Take all courses for a letter grade; Pass/Fail courses will not qualify.

CLEP, distance learning, online, or foreign language courses will not qualify.

**\*\*Course repetitions are highly discouraged\*\***
