- **Internship (company/your title):**
84 Lumber, Deck Designer
- **How did you find your internship?**
Through LinkedIn and a family friend
- **What were your duties?**
Design Decks for customers
- **How many hours per week were you at your internship site?**
40 Hours
- **What did you enjoy most about your internship?**
There is a great atmosphere. They care about your growth and development a lot. Moreover, everyone is very welcoming.
- **What was the most difficult aspect of the internship?**
Finding a good pace to work at. I found early that I was getting work done too fast or too slow so I found the right pace that helped me complete my daily duties.
- **How did your experience at UPG and in the Business Management department prepare you for your internship?**
They provided me with the necessary knowledge so that I was ahead of others in that aspect, and it helped me flourish in my position.
- **How has your internship prepared you for a career?**
I am more comfortable in a corporate environment, and I know what is to be expected of the workers.
- **What recommendations do you have for other students about doing an internship?**
Take a chance, try anything, it can really help you find what you like and do not like. Regardless it's a great experience.
