

Personal Information Change Request

Name changes or change of sex require official documentation. Examples for name change include: marriage license, birth certificate, court order, or divorce decree. We also accept Social Security cards; however in this case you will also need to provide a second form of ID such as a driver's license or passport also showing the new name. Complete and submit this form and attach a copy (do not send originals) of your pertinent documentation.

You can submit a change request in person in 120 Millstein Library.
